Ladies Circle India has partnered with Make-A-Wish India to grant wishes of children diagnosed with a life-threatening medical condition, mostly Cancer.

Since the launch of this program, its president **Cr. Nidhi Karnani** has roped in many LC India members to adopt wishes in these pandemic times and get them granted in a memorable way to bring a positive ray of hope among the children undergoing long and painful medical treatments.

Ladies Circle India Known as LC India, is a non-political and non-sectarian Organization. Our membership is open only to wives of members of Round Table India. It offers opportunities for serving the community, for fostering and strengthening friendships between like-minded young women and helps create a better understanding of the obligations one owes to the society.

Today, Ladies Circle India comprises of over 1600 members with 114 active Circles spread across India. LC India is present in 19 States and 57 cities.
